

St Dunstan's **Youth Alive Junior** proudly presents:

Youth Alive Junior is our brand new ministry for children in school years 4, 5 and 6 and part of a broader concept of youth ministry at St Dunstan's.

As part of **Youth Alive Junior**, we are pleased to be able to offer a regular club on Wednesday afternoons from 16 January 2019. Sessions will take place between 4:30 and 6:15 pm during term time and will include an episode of Friends and Heroes, a meal and activities, related to a theme explored in the episode.

What is 'Friends and Heroes'?

Friends and Heroes is an adventure series for children featuring amazing computer-generated animated Bible stories. It was first broadcast on the BBC's CBBC channel in March 2007 and then aired on the BBC2 terrestrial television channel during the Autumn of 2007.

Based in a fascinating and turbulent period of history, 69-71 AD, Friends and Heroes places Bible stories in a vivid historical context. It uses animated adventure stories to introduce a new generation of children to the stories of the Old and New Testaments in an appealing, fresh and memorable way. The approach to set up Bible stories in living contexts amongst the people who kept them alive, by passing them on 'down the line' to children, runs throughout the series as a constant motif.

Friends and Heroes is the tale of two young people - Macky and Portia - whose idealism and friendship leads them across the ancient world, from the fabled Egyptian port of Alexandria, to the besieged city of Jerusalem and finally, to the very heart of the Empire: Rome. As they fight for justice and even survival against the might of the Roman Empire, they become friends and then, in turn, heroes. Like our heroes, children will be empowered by what they see and hear, as they share the courage and compassion, the everyday dangers faced by Macky and his friends.
