We receive many requests for infant baptism each month (about 120 per year) The celebrations take place on the dates shown above, but may change subject to demand.

We hope to limit each celebration to four or five families – this may mean increasing the number of celebrations each month, for example by having two or three celebrations on the date advertised or in some circumstances arranging a different date to the one stated above.

Please **DO NOT** arrange your own family celebrations until you have been informed of the date and time of your child's Baptism

We will inform you of the dates and time of celebration of Baptism by email or letter as soon as we can, but at the latest we will inform you at the first evening of each course.
